

Clubhouse Certification Fundraising Appeal to Members

Externally, the clubhouse appears finished, but there is a hurdle to overcome

On 1 December 2017 we applied for \$95,000 from the State Government's Female Facilities Program to finish fitting out the clubhouse. We were finally advised on 8 June 2018 that we were not successful. This was a big setback, but we must move on.

So, what is our current financial position on the clubhouse project?

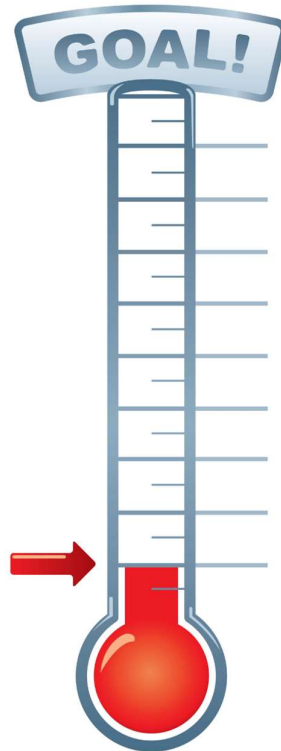

The footprint of the clubhouse is 600m². To date we have spent \$595,884 on the clubhouse, with \$274,570 coming from our club's savings, which are now reduced almost to operational reserves only.

What work needs to be done to achieve certification?

1. Payment to Queensland Urban Utilities for infrastructure charges	\$12,204
2. Shower and toilet partitions and privacy screens	\$27,083
3. Mechanical ventilation system to toilets and changerooms	\$11,702
4. Handrails to stairs	\$ 2,464
5. Small hot water system for kitchen, disabled linemarking and Bollard, 2 fire extinguishers for kitchen, braille signs and tactile Mats, kerb on wheelchair ramp, attic ladder, final payment to builder and contingencies.	\$ 7,547
	Total \$61,000

Your Management Committee has considered the minimum funding required to achieve certification and occupation of the clubhouse. The amount required is \$61,000. We have an existing unspent Grant of \$20,750 and a clubhouse reserve of \$20,250, Totalling \$41,000, so our shortfall is \$20,000.

This is our target \$20,000

An invitation to Club members

Loyal Club members have and always will be the backbone of our success. You now have the opportunity to contribute any amount you wish towards our appeal. All amounts will be gratefully accepted.

We will have a clubhouse funding Honour Board in our new clubhouse. Your name could be on it.

There will be four levels of sponsorship recognition on the Honour Board:

Bronze	\$ 250
Silver	\$ 500
Gold	\$1,000
Platinum	\$2,000 or more

Imagine recognition of your support in perpetuity on our Honour Board for current and future generations to see!
